

The Collaborative Assessment & Management of Suicidality (CAMS) Community of Practice (CoP) Webinar Series:

Addressing Common Barriers and Challenges With Youth Clients

CAMS CoP is provided through SAMHSA GLS Grant SMO62894

OSPF invites you to this 3-part webinar series designed to help Ohio behavioral health professionals as they implement the CAMS Treatment Framework. Through interactive online discussions, attendees will have an opportunity to ask questions and problem solve with each other, as well as CAMS expert consultants, to improve implementation of the CAMS Treatment Framework and address common barriers when working with youth clients. **Amy Brausch, Ph.D.**, CAMS-Care Consultant, will lead webinar discussions addressing common barriers and strategies for implementing the CAMS Treatment Framework with K-12 youth.

For additional information on the webinar series, call: 614-429-1528 | 614-519-8605
email: austin.lucas@ohiospf.org

Webinar Components:

The CAMS CoP includes:

Webinar #1 Focus: How to effectively use the CAMS treatment Framework when working with youth populations.

Webinar #2 Focus: How to effectively and appropriately adapt the CAMS treatment framework for K-12 population needs.

Webinar #3 Focus: How to effectively engage family members and other adults in the use of the CAMS Treatment framework for youth.
